Conditions of Sale & Abbreviations

All prices are ex. VAT free from our storage

LevinSEN Ltd. Hereby confirm their liability as Sellers to supply the seeds stated following of orders, subject to the seeds being supplied to us as ordered and subject to the result of the year's crop. The Buyer shall be obligated to purchase the consignments of seeds stated, unless he cancels his order in writing within 3 days of receiving the order confirmation.

Dispatch shall be at the Buyer's risk and expense in accordance with INCOTERMS "ex works" conditions.

Payment shall be made within 30 days from the date of invoice, after which interest shall be charged in accordance with the Danish Law. Seeds remain the property of the Sellers until the payment has been effected in full.

Complaints shall be made immediately on receipt of the goods by telephone or in writing. Compensation cannot exceed the net amount of the invoice in question.

In all other respects this contract is governed by the general practice of the tree seed trade (F.I.S. regulations) and by the relevant Danish Law. Disputes shall be settled before a Danish Court of Law and in accordance with the Danish Law.

Abbreviations

Seed / Kg: - Good seed pr. kg. based on germination %, Vitality % (TZ) or cut % (snit).

Crop - Crop Year

Ger % - Germination percentage

The statement "Price Later" ("P.L.") indicates that seeds will be invoiced at market price at the time of delivery.
